

EuropaColon and the Global Colon Cancer Alliance are proud to announce the ...

2nd EUROPEAN COLORECTAL CANCER PATIENT CONFERENCE (CCPC)

DATE: 5TH AND 6TH JULY 2013 DURING THE WORLD CONGRESS
ON GASTROINTESTINAL CANCER

VENUE: THE INTERNATIONAL CONVENTION CENTER (CCIB)
BARCELONA, SPAIN

Following the highly successful CCPC in 2011, we will again be bringing together cancer survivors and their families, clinical colorectal cancer experts, health organisations and key opinion leaders from Europe and around the world, to discuss the latest challenges and advances in colorectal cancer (CRC).

The programme will address the following key topics:

- **Recent and future advances in CRC treatment**
- **Examples of best practice and the benefit for patients**
- **Challenges in access to best treatment and care in EU member states: the importance of lobbying**
- **Interactive workshops:**
 - Can society afford innovative cancer therapies?
 - Investing in CRC prevention and control
 - Health – a two way relationship?

**PLEASE PUT THESE DATES
IN YOUR DIARY FOR 2013**
