#MyBest10Seconds  
#ECCAM2019

**Thursday 28th February 2019**  
**Room 11 - 12**  
**European Parliament**  
**Brussels**

Hosted by MEP Lieve Wierinck (open VLD)

Presentation of:

- The European Social Media Screening Campaign
- White Paper with Policy Recommendations for Colorectal Cancer Screening in the European Union
- Colorectal Cancer Screening Roadmap- highlighting how to set up a successful formal population screening program

Today, hundreds of thousands of European citizens are dying and billions of Euros are being wasted because of a lack of formal population-based colorectal cancer screening programmes.

Join us in this highly important discussion!

By taking part find out how you can help save lives from a cancer that is highly treatable if diagnosed early.

*We look forward to meeting you!*
