

Application for DiCE Operational Grants 2024

Total amount: 15.000€

Aim: to support Member Organisations with unrestricted operational grants for projects, activities and campaigns in their country.

There will be several grants of varying amounts between **1.000€ to 2.500€**.

Eligibility:

All Member Organisations are eligible to apply (Full and Associate MOs).
All digestive cancers projects will be considered.

Purpose of award:

- Production, printing and publishing of educational materials
- Execution of campaigns
- Technical services directly related to project outputs through local contractors, e.g. workshop facilitators and translation of materials.
- Equipment, materials and personnel services explicitly related to project outputs, e.g. telephone helpline services.

Criteria:

The following criteria will be taken into consideration:

- Importance of the problems being solved for MOs
- Feasibility of measuring key performance indicators
- Achievability of the project
- Sustainability of the project

MOs which have not received funding from DiCE in the previous years will have priority and are highly encouraged to apply.

Submission deadlines:

- **October 18th**, second set of grants to be distributed mid-November (totalling 15.000€)

Applications for grants with mention of the desired amount and a short description should be sent to ghislaine@digestivecancers.eu by the set deadline.

Grant recipients will be informed via direct mailing at the end of October.
